

## Desert Health Acupuncture and Herbal Medicine Clinic, an Albuquerque Based Acupuncture Clinic, Announces Acupuncture Treatment List

[Dr. Abbey Theroux](#), founder and clinic director at [Desert Health Acupuncture Clinic](#), announces acupuncture treatment list

For Immediate Release

Albuquerque, NM (Pitch Engine) November 29, 2011 Desert Health Acupuncture and Herbal Medicine Clinic announces list of conditions that their clinic treats using acupuncture medicine. Acupuncture is very successful in treating a large number of conditions. Quite often clients at the Desert Health Acupuncture Clinic come to the clinic with a serious health or complex medical condition that they have not been able to find a solution for to solve their issue. In multiple instances for lots of clients they have found that the acupuncture treatment given to them by Desert Health Acupuncture has been solution to what ails them. Additionally, in Albuquerque and all over the United States and the world for that matter, people visit their acupuncturist on a regular monthly basis or a handful of times a year for a balancing acupuncture treatment. Regular acupuncture treatment can help prevent disease and support better health, vigor, and daily get-up-and-go. The ordinary or common reason that people in Albuquerque come to [Desert Health Acupuncture Clinic](#) is to treat pain related ailments such as sciatica, carpal tunnel syndrome, arthritis and back, shoulder, knee and neck pains.
