

Albuquerque, NM (Pitch Engine) December 21, 2011 [Desert Health Acupuncture and Herbal Medicine Clinic](#), based in Albuquerque, New Mexico announces the launch of their newly renovated website [www.nmcommunityacupuncture.com](http://www.nmcommunityacupuncture.com). The makeover incorporates new pages including a press page, and an articles page, plus there's been a complete page by page search engine optimization action plan enacted that included new page titles, new meta-tag keywords, new meta-descriptions, new content, and a new highly focused call to action endeavor. Virtually each page offers a "Book Appointment" button that links to the company's appointment booking engine attached to [www.mindbodyonline.com](http://www.mindbodyonline.com). The company has set up a strategy to add regular website content including adding new articles each month and new press releases each month. The goal of the website makeover is to improve Desert Health Acupuncture and Herbal Medicine Clinics' online presence and to improve their website visitor experience including tons of great information that makes the website a great resource in the Albuquerque, New Mexico community regarding health and wellness. States Dr. Abbey Theroux, company founder and clinic director, "I am a native of New Mexico and as such I want to do my part in my community in helping people in my home state be healthier and lead healthier lives." As time and work progresses on the website it should continue to grow in page count, information and as a resource for health, wellness, and feeling better in the State of New Mexico and the City of Albuquerque.
