Albuquerque, NM (Pitch Engine) January 22, 2012 Dr. Theroux, founder of [Desert Health Acupuncture](#) in Albuquerque, New Mexico is knowledgeable and skilled at using [acupuncture to provide relief to people that suffer from chronic fatigue syndrome](#). CFS is a code word for people with a variety of ailments that are often chronically completely exhausted. Chronic fatigue immune deficiency syndrome (CFS) is a disease with many, many ugly facets. CFS is an ailment that negatively impacts the neurological systems of the body, the complete muscular system of the body, and the immune system of the body. The puzzling and really bewildering oddity about this disease is that there is not any identified cause, no identified treatment for this disease, and no identified health test for this insidious disease. It is estimate that over 2,000,000 people suffer from CFS in the United States. Worse yet, there are another 10,000,000 people who exhibit CFS type symptoms, but they do not really meet the criteria list to be diagnose with the disease. However it has been proven that acupuncture does provide chronic fatigue syndrome relief. People that suffer from CFS are in a constant state of flux with really a very hard to fathom existence. Desert Health Acupuncture is ready to provide therapeutic acupuncture treatment to people that suffer from CFS.
