

Albuquerque Acupuncture Service Provider Desert Health Offers [Acupuncture Treatment to Fibromyalgia Patients](#)

Desert Health Acupuncture begins offering acupuncture treatment to fibromyalgia patients in Albuquerque. Fibromyalgia is a painful disease that involves chronic pain, including joint pain, stomach intestinal discomfort, and chronic muscle pain.

Albuquerque, NM (Pitch Engine) January 20, 2012 Dr. Theroux, founder of Desert Health Acupuncture in Albuquerque, New Mexico knows about pain management. [Fibromyalgia sufferers in Albuquerque](#) suffer from chronic pain in their muscles, chronic pain in their joints and quite often chronic digestive problems. It has been proven through experience and studies that regular acupuncture is the most effective approach to providing pain relief to fibromyalgia patients. Logically this means that fibromyalgia patients should set up a series of weekly acupuncture treatments to see the best results. Desert Health Acupuncture offers treatment packages with the fibromyalgia patient in mind. Founder Dr. Abbey Theroux set up treatment packages for her Albuquerque acupuncture patients for 1, 2, 3, 4 and 8 monthly treatments. Doing this allows any patient, but particularly Albuquerque fibromyalgia patients to pick the package that fits their needs and goals. The required number of acupuncture treatments for fibromyalgia patients in Albuquerque dependent on the level of pain and the various issues of each fibromyalgia patient individually and the health condition of that person as well.
